

## **Pokémon Club Video Game Activities**

Below are a few examples of recommended activities you can run for Pokémon video game fans at your Pokémon Club. Simply decide what any weekly goals are (Pokémon type, color, and so on) and have your players check in with your Club leader to show off their completed goals! Of course, you can come up with your own activities as well! Just make sure each activity is something your participants can achieve within a session or between sessions.

### **Catch 'em!**

Show off 10 Pokémon that are the type of the week!

### **Level up!**

Show off 10 Pokémon Lv. 30 or higher!

### **Battle!**

Collect a new Gym Badge or have a Trainer Battle with a friend at your Club.

### **Fashion show!**

Show off 10 Pokémon that are mostly the color of the week!
